

MFS Renew

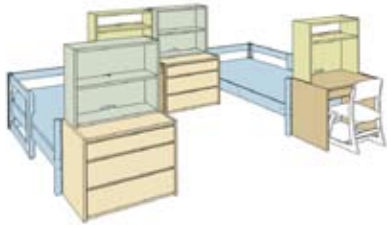

Quality and Value. A few subtle changes in design lower the price yet give you all the benefits of the standard MFS product. The same material. The same construction method. The MFS modularity has been maintained—MFS Renew can be integrated with standard MFS.

Chest, beds, desk and organizer. Shown with Tango chair. Light Oak finish.

MFS Renew Configurations

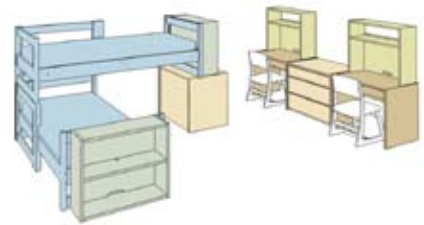

Modular furniture can be arranged just about any way you want it with 50+ different configurations. It is simple to rearrange without tools or staff help, making it the right choice for everyone.
