

Student-inspired furniture designed to maximize storage, support technology and provide an at-home, contemporary look.

Essix
Room Solutions

Essix

features

- Contemporary design. Clean, crisp lines and metal accents create a modern aesthetic that students love.
- Ample storage. Drawers are extra large and deep to hold bulky items.
- Box storage units leverage vertical space. Shelves have cutouts at back to neatly manage cables throughout.
- Multi-functional desk. Removable drawer can be repositioned to support right- or left-hand applications; pull-out shelf provides additional space for materials; large work surface supports collaboration and technology.
- Bed is height-adjustable and can be bunked or lofted without tools. Integrated coupler at every post assures a secure connection at every post with no loose hardware to manage.
- Easy access to power with integrated desk-height power option.
- Material options: choose from 3/4" hardwood veneer plywood or laminate with engineered wood core using glue and dowel construction.
- Dovetail drawer box construction with removable drawer front, waterproof vinyl bottom and open to 3/4 of its depth.
- Support sustainability forestry practices by using SFI certified wood panels in the manufacturing of our products.
- Laminate panels are environmentally friendly. They are EPP (Environmentally Preferred Product) certified and are made using 100% pre-consumer recycled and recovered wood fiber, which saves trees and avoids landfills
