

Classic aesthetic, rock solid durability A stronger bed you will not find. Laminated hardwood veneer panels, using a modified mortise and tenon construction, put the patented Gibraltar in a class by itself.

Gibraltar Bed

Room Solutions

Gibraltar Bed

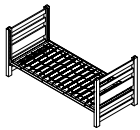

features

- 85"L x 38"W x 37"H. (Uses 36" x 80" mattress.)
- Bed posts are three sheets of 3/4" hardwood veneer plywood laminated together. 2 1/4" x 3" post size.
- Headboard rails are 3/4" x 3 1/2" hardwood veneer plywood with exposed, finished, edges.
- Patent pending, 1-piece, cold rolled steel U-channel, with integrated pins, captured in each bed post, provides for eight different bed heights requiring no tools for adjustment.
- Headboard rails attached to posts with a modified mortise and tenon joint, glued and screwed, secured by the U-channel.
- Lofting/bunking application uses an integrated mounting peg in each bed post.
- Stabilizer rail for lofting, guard rail and decorative rails are 3/4" hardwood plywood.
- 1-piece steel side rails for wood and spring decks.
- Headboard design is customizable.
- Finish is a multi-step process of catalyzed filler, sealer and lacquer coats with buffing, scuffing and sealer sanding between coats.
