STYLE 2334 UPHOLSTERY FABRIC "10 YEAR PERFORMANCE" WARRANTY

RT London warrants for a period of ten (10) years from the date of its invoice that upholstery fabric designated as Style 2334 (referred to herein as the "Fabric") will not suffer "wear through" in normal indoor seating use by the original end-use customer. "Wear through" means a hole caused by disintegration of the fabric's structure in a particular area as a result of abrasive wear. Should a failure to conform to this warranty appear in the Fabric during the 10-year warranty period, RT London will repair or (at its option) replace the affected Fabric at its expense, including labor and materials, subject to its receipt of prompt written notice during the warranty period. This warranty does not cover damage, disintegration or loss arising from abuse, misuse, vandalism, burns, cuts, punctures, improper installation or maintenance, use of improper cleaning agents, application of a treatment or finish after shipment by RT London defects in design or manufacture of seating or furniture, inadequate padding, abrasion from other seating components or furniture, pilling, fading, use in any application other than normal indoor seating, or use subsequent to ownership by the original end-use customer.

EXCEPT AS EXPRESSLY PROVIDED HEREIN, NEITHER RT LONDON NOR ITS AFFILIATED COMPANIES MAKE ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF ITS FABRIC FOR ANY PARTICULAR PURPOSE, RT LONDON AND ITS AFFILIATED COMPANY HEREBY DISCLAIM THE SAME. THE REMEDIES SET FORTH HEREIN ARE EXCLUSIVE. LIABILITY OF RT LONDON AND ITS AFFILIATED COMPANIES IS LIMITED TO THE ACTUAL REPAIR OR REPLACEMENT OF DEFECTIVE FABRIC AND DOES NOT INCLUDE INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Upholstery Specifications

| Style | 2334 | Performance |
|----------------------|---|--|
| Contents | 100% recycled polyester | Breaking strength (ASTM D5034) 275 lbs. min. warp and fill |
| Weight | 12.4 ± 1.0 oz./lin. yd. | Tear (ASTM D2261) 35 lbs. min. warp and fill |
| Width | 54" min. useable | Seam Slippage (ASTM D4034) 50 lbs. min. warp and fill |
| Repeat | none | Pilling resistance (ASTM D3511) class 4 min. |
