

Simple, dependable, affordable. Solo offers a contemporary look and design flexibility through choice of pulls.

**Solo**  
Room Solutions

## Solo

### features

- Comprehensive line helps scale price, durability, aesthetics and features to meet specific needs.
- Change the look with choice of three pulls: half-moon, integral or aluminum bar pull.
- Integrated desk-height power provides convenient power access.
- Glue and dowel or dry-fit construction method. The "dry-fit" construction method uses exposed metal-to-metal fasteners and allows components to be easily replaced in the field without having to invest in an entirely new unit.
- Material options: choose from hardwood veneer or laminate, engineered wood core.
- Dovetail drawer box construction with removable drawer front, waterproof vinyl bottom and open to 3/4 of its depth.
- Support sustainable forestry practices by using SFI certified wood panels in the manufacturing of our products.
- Laminate panels are environmentally friendly. They are EPP (Environmentally Preferred Product) certified and are made using 100% pre-consumer recycled and recovered wood fiber, which saves trees and avoids landfills.
