Modern lines, timeless fashion

Westwood is an excellent choice when you want a cohesive furniture design throughout your space. From nightstands to media centers, Westwood has something to offer the living room and the bedroom.

Products:

- **Westwood** | Room Solutions
- **Roxy** | Lounge Seating

Westwood brings it to the next level with its impeccable details. Soft-closing drawers and solid wood detailing are just a couple of the features of this stylish line that set it apart from others.

Offered in twin, full, and queen – **Westwood** is the answer when you are looking for something sophisticated for the bedroom. For this residence director apartment we wanted to amplify the storage and style. This line offers a 6-drawer chest as well as storage nightstands to conquer storage needs without looking like the other student rooms

Roxy was an easy choice to pair with **Westwood** tables and media center. It has perfect harmony with similar classic features but with an updated feel.
