

Subtle curves with 1" veneer plywood frame. Glue and dowel construction and metal-to-metal fasteners make field replacement of upholstery easy and fast. Popular patented design.

Tango Chairs

Tango

features

- No joints -single piece side frame construction for strength and durability. Crafted using 1" hardwood veneer plywood.
- Solid hardwood rails.
- Seat and back connections allow simple field replacement.
- Upholstered seat and back.
- Contoured seat pan provides added comfort.
- Sled or 2-Position base.
- The 2-Position chair is designed to support users safely and comfortably in two seated positions. The base stabilizes at both upright and at a leaned back, more relaxed position.
