The beauty of the Melissa series lies in the many looks available including an upholstered or wood seat.

Wood Melissa

Chairs

RT LONDON®

Wood Melissa

features

- With so many styles available, the visual landscape of a project can vary while maintaining a family consistency.
- Create a customized look with the Variations ™ upholstery program.
- Webbed seat construction and high resilience foam provide superior seated comfort. Wood seat is also available.
- European beech frame sourced from FSC certified renewable forests.
- Time tested mortise-and-tenon construction for maximum joint strength.
