## RH Series

Room Solutions

## RH Series

### features

- Constructed using hardwood veneer plywood panels.
- Glue and dowel or dry-fit construction method. The "dry-fit" construction method uses exposed metal-to-metal fasteners and allows components to be easily replaced in the field without having to invest in an entirely new unit.
- Aesthetic choices. Solid hardwood drawer fronts feature two integral pull choices or an aluminum bar pull for a more contemporary look.
- Dovetail or dowel drawer box construction with removable drawer front, waterproof vinyl bottom and open to 3/4 of their depth.
- Expansive line of desk and storage pieces with a streamlined look to blend with any of our Bed Solutions.
